

Shelby County Park District
Board of Commissioners Meeting

7/18/2017

Attendance: Dee Monnin Cara Kellersmith Shawn Henry

Others in attendance: Brandi Thompson in attendance from Sidney Cycling

Old Business:

Lockington Reserve:

- Garbage dumpster finally picked up
- Lower and upper dam areas mowed

Renner:

- Grant work update: Donny Knight: Renner was sprayed and will be plowed in the fall and planted in the winter.
- Poison Ivy is an issue right now.

Bornhorst Woods: Several trees have fallen into field. Farmers will continue to push it back into woods until after crop is off field. We need to organize a group to go out and cut down dead trees once crops are off.

Hardin Park:

- Mowed
- Car hit the building and there was some damage

New Business:

Lockington Reserve:

- Continue mowing and maintaining
- Shawn and Cara are going to load bench and clean up area around where trash used to be kept.

Renner:

- Rental Contract for 44 acres needs to be signed

Bornhorst Woods: Contact Jessie and see if he can get a group out to help clean up fallen trees in the fall.

Hardin Park:

- Carol needs a load of topsoil to help fill in low areas that are making mowing difficult.
- Need to treat mole problem

OTHER BUSINESS:

Brandi Thompson: Sidney Cycling: discussed organizing a bike ride that utilized the area parks. She will update us once she meets again with her group.
